OZ BLENDZ – ECO COLLECTION

Signature Vibrancy

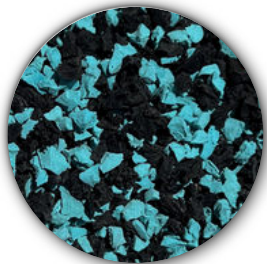

Eco-Intensity

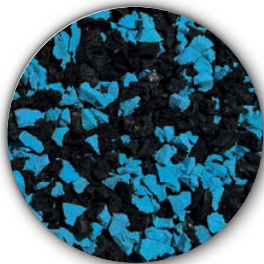

Your design, your footprint. Dial up the recycled content without compromising the aesthetic.

Design Flexibility and Sustainability

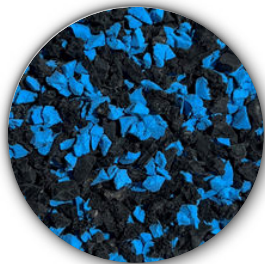

OzBlendz allows you to customize the balance between vibrant Gezolan EPDM and high-performance PlayKote recycled SBR content. Whether you are aiming for maximum color impact or the highest possible recycled percentage for a Green Star rating, we can calibrate the perfect mix for your project, just ask us how!
